The meeting was called to order at 4:00pm by Chairman, Matuszewski, followed by the Pledge of Allegiance.

Attorney, Peter McManamon reported that he sent a letter to Bellwood along with a check for their over payment to Bellwood Borough. He informed them that the board desires to complete reconciles after they have received data from the meter installations.

Ben Burns reported that the logger on the new Bellwood meter has failed and a new logger was reinstalled on June 23, 2014. It appears that the data is coming in correctly but he is waiting to receive a larger rain fall for confirmation of the accuracy.
