Workshop Meeting  
September 02, 2014

**MEMBERS PRESENT:**

Leo Matuszewski, Chairman  
Robert Smith, Vice Chairman  
Brad Confer, Secretary/Treasurer  
Dave Worthing  
Charles Diehl  
JR Gurekovich

**VISITORS PRESENT:**

Peter McManamon, Solicitor  
Susan R. Bonsell, Administrator  
Brad Walter, System Operator

The meeting was called to order at 4:00pm by Chairman, Matuszewski, followed by the Pledge of Allegiance.

Attorney, Peter McManamon presented the board with a draft copy of the updated rules and regulations. Attorney, McManamon is sending a copy to Adrienne for her review of certain items. Peter is looking for comments at the first October meeting.

There were no engineers present for the meeting. The engineers did provide the board with the following update:

1. Adrienne will be present at the September 09, 2014 meeting to begin discussing the results of the capacity study.
2. Bellwood flow meters are working without issues.
3. HRI is working on completing their punch list and they have begun to meet with their subcontractors to address issues related to faulty work.

Mr. Diehl mentioned that he will check on the new strobe light for the F 350 ford.

Being no other business, Chairman, Matuszewski adjourned the meeting at 4:30pm.
