### **Regulations for clearing and grubbing waste materials for burning purposes.**

#### Clearing and grubbing wastes are defined as:

Trees shrubs, and other native vegetation, which are cleared from land during or prior to the process of construction. The term does not include demolition wastes and dirt-laden roots.

1. MUST call the non-emergency 911 call center (814) 940-5953, prior to burning.
2. MUST call the non-emergency 911 call center (814) 940-5953, when finished
3. Fire must be attended at all times by a competent adult.
4. Burning is prohibited during periods of high winds and drought.
5. Clearing and grubbing waste cannot be transported for the purpose of burning from one area of the Township to another or be transported into the Township from any other municipality.
6. The following items are unlawful to use to start or accelerate a fire, domestic refuse, demolition waste (insulation, shingles, siding, etc.) furniture, mattresses or box springs, paint, putrescible waste, solvents, tires, or treated wood.

If the fire is offensive or objectionable due to smoke or odor, the fire shall be order extinguished by Township Supervisors or a Duly Authorized Representative of the Township.

### **BURNING DAYS ARE TUESDAYS, THURSDAYS & SATURDAYS**

I have read, fully understand and agree to comply with all the above regulations.
