The January 12, 2017, Special Meeting was called to order by Vice- Chairman Smith at 8:30 AM.

Mr. Smith presented information regarding the Petrunak Subdivision and prior to taking action Mr. Petrunak questioned his ability to build on the piece of land that he would continue to own if he signed the Non Building Lot Waiver. Mr. Smith responded that he did not think signing the document would prohibit him from building but he would have to go through sewage facilities planning first to do so. Mr. Petrunak was not satisfied and refused to sign the document. Mr. Smith offered that he could take 10 days to seek his own counsel regarding the issue and request another Special Meeting to take action and reminded him that in the meantime the eminent domain process continues. Supervisor Hostler exited the meeting as he had a prior commitment.

Since there was no quorum, the meeting was adjourned at 8:49 with no action taken on any agenda items.
